

Experience days in Lapland inland

Nature, animals and cultural days, summer 2010

Enjoy some fantastic days with unique nature, exciting culture and easy fishing, an abundance of wildlife and nice nature together with guides who will do everything for you.

We guarantee you some amazing days that enrich all the senses.

Day 1 Accommodation in a cottage, apartment house electricity depending on what you selected.

Culture day. We show you Byske River, a beautiful river with a old story. We visit a old house from the 1800s where we eat lunch, after that we go to one of the oldest well-preserved reindeer places. In the end of the day we visit old same houses in Arvidsjaur.

Day 2 10:00 Char Fishing in a unique nature area.

During this day you fish arctic char and trout from boat or shore. During the day we barbecue fish and eat them with local accessories. For those who want we go after a piece of a cultural path from 1600s who went by the Sami people on their way to and from Nasa silver mine.

Day 3 10:00 Wildlife Expo in Svanselse. Here you see all animals that you may encounter during our day together and a piece of our culture. Wilderness buffet.

Day 4: 12:00 This day we go high up to a really old and beautiful nature reserve.

Those who wish may try to fish in a true mountain lake or walk some distance through the magical nature. The day ends with dinner by the campfire.

Day 5: We thank you for your time and hope and believe that you now have a memory for life.

If you want, you're welcome to stay another few days on your own.
