

Fantastic fishing

Trout, Artic char, Grayling and Pike

Experience the exciting hunt for trout, artic char, pike, perch and grayling in lakes located in beautiful forest.

Here you can fish both alone and with a guide in mountains lakes, from boat and land on the summer and during meter-thick ice in the winter.

All in a fantastic nature of Abborrträsk wilderness.

Fishing alone in the mountain lake for 1 day, fishing with guide 3 days

Knowledgeable and friendly guides, only 20 km from Arvidsjaur airport. 40 min. by Jörn Train Station.

Day 1 Accommodation in a cottage or apartment with lake views.

Day 2 Own fishing on Stenträsket 383 hp big mountain lake with arctic char and trout. The lake has always been a very popular fishing spot.

Day 3 Grayling and trout fishing in streams, rivers or lakes, depending on season.

Day 4 Pike and perch fishing in pristine forest lakes in fantastic scenery.

Day 5 Fishing with guide in Sweden's best artic char lakes.

During this day we fish great char in a unique area.

Prepare yourself for a long exciting fishing day with large grab willing char.

In the lakes it is also grayling and trout.

Day 6 Return
